

## **EU DIRECTIVE APPLICATION FORM**Post treatment legacy applications (EU Exit)

This application form is for patients who are resident in England and who accessed treatment in the EU, Norway, Iceland or Liechtenstein before 1 January 2021.

You must meet the eligibility criteria that was in place until 31 December 2020. This means that for any applications received after 1 January 2021, where the treatment is on the "specialised" commissioning list, the application will not be progressed if prior approval was not previously sought.

Treatment that was received after 31 December 2021, the end of the transition period, will not be reimbursed, unless there are exceptional circumstances (e.g. covid related delays). These will be reviewed on a case-by-case basis.

Find out more by searching for 'EU directive' on www.nhs.uk.

Please read the <u>EU Directive supporting guidance notes</u> to help you complete this application form.
