

Claim for help with health costs

Do you find it difficult to pay for health costs? You may be entitled to help through the NHS Low Income Scheme

Use this form if you need help with paying for:

- NHS prescriptions;
- NHS dental treatment;
- NHS wigs and fabric supports;
- sight tests, glasses and contact lenses; or
- travel to receive NHS treatment if referred by a doctor (GP or hospital doctor), optician or dentist.

You might not have to pay or you could be entitled to some help towards the cost.

You can claim at any time. Do not wait until you need treatment.

You can claim for:

- yourself;
- your partner; or
- your children.

If you need help or have any questions about filling in this form, you can phone our customer enquiry line on **0300 330 1343**. If English is not your first language, phone this number and we will provide an interpretation service over the phone.

You do not need to fill in this form if you or your partner are:

- getting Income Support;
- getting Pension Credit Guarantee Credit;
- getting Universal Credit and you had no earnings or net earnings of £435 or less during the
 most recent assessment period (£935 if you had a child element or had limited capability for
 work);
- getting income-based Jobseeker's Allowance;
- getting income-related Employment and Support Allowance;
- named on, or entitled to, an NHS Tax Credit Exemption Certificate;
- or if you are under age 20 and someone is getting one of the benefits listed above which includes you as a dependent.

You are already entitled to full help with health costs. However, if you paid any health costs before you started getting any of these benefits or before you became entitled to your NHS Tax Credit Exemption Certificate, read page C of this form to find out if you can claim your money back.

You cannot get help with health costs if you or your partner (or both) have more than:

- £16,000 in savings, investments or property (not counting the place where you live); or
- £23,250 in savings, investments or property if you live permanently in a care home.

Important note. If you are living in a care home or are aged 16 or 17 and have just left local-authority care, you may be able to use the shorter form, HC1(SC). Phone our customer enquiry line on **0300 330 1343** and we will tell you what to do.

Page A Some notes to help you

Please read the notes on this page and page B before filling in this form - they will help you to claim correctly. Then pull off pages A, B and C and keep them for information.

How to make your claim

From the information you give us in this claim form, we will work out how much help you can get through the NHS Low Income Scheme.

Work carefully through this form. In most of the form we ask you to tick a No or Yes box and give any details needed. The notes in the form will tell you what to do next. If you need more space for any of your answers, use part9 of this form.

What we need to know about. We need to know about you and, if you are a member of a couple about your partner and any income and savings that you both have.

What we mean by partner. We use the term 'partner' to mean a person you live with as part of a couple of the same or opposite sex, whether or not you are married or have a civil partnership.

If we ask for evidence. If you are working, in full-time education or a trainee, you will be asked to provide evidence of your income. We accept photocopies as evidence. It will delay your claim if you do not send us the evidence we ask for. If you are not sure what evidence to send (or don't have it), phone our customer enquiry line for advice on 0300 330 1343, Monday to Friday between 8 am and 6 pm or Saturday between 9 am and 3 pm.

If you are claiming money back. Page C of this form tells you how to claim money back. Use part 9 of this form to tell us if your circumstances changed between the date you paid and the date you signed this form.

If you have claimed before. You still need to fill in this form with your current details as we need to know your circumstances at the date of this claim. Even small changes to rent, mortgage or Council Tax payments or the yearly increase in benefits or earnings can affect the amount of help you are entitled to.

When you have filled in this form. Send it to: Low Income Scheme, NHS Business Services Authority, Bridge House, 152 Pilgrim Street, Newcastle upon Tyne, NE1 6SN. A stamp is needed. Postage costs may differ depending on the size of the envelope you use.

Page B Some notes to help you

Make sure you read the notes on page A (inside front cover) as well.

How we assess your claim

From the information you give us in this claim form, we will compare your 'income' with your 'requirements' to work out how much help you can get through the NHS Low Income Scheme (see below).

Our calculation is based on your circumstances on the date we receive your claim form, and any help you are entitled to starts from this date. It is very important that you send the form to us as soon as you can.

'Income' includes the following.

- Earnings after tax, National Insurance and half of any pension contributions are taken off.
- Social security benefits and pensions.
- Work pensions or superannuation pensions.
- Student grants, loans and any assessed parental contributions (whether or not paid).

Note: We will consider a student loan to be income if you would be entitled to claim one, whether or not you choose to take it up. This includes any income related and non-income related parts.

- Money from trust funds.
- War Disablement Pension or War Widow's Pension.
- Any other income you or your partner get regularly.

'Requirements' include the following.

- Personal allowances for you and your partner.
 These are at rates approved by Parliament for daily living expenses, which include things like water rates, fuel bills, phone bills, TV rental and house insurance.
- Premiums for special needs because, for example, you or your partner are disabled, or get a component with your Employment and Support Allowance.
- Housing costs that you and your partner are responsible for. These include mortgage repayments and rent not covered by Housing Benefit or local housing allowance. Housing costs do not include money you pay to another member of your family.
- Council Tax that you or your partner are responsible for.

Note: The rates of personal allowances and premiums usually increase once a year, typically in April, in line with Income Support arrangements. If you want more information about this, visit our website at www.nhsbsa.nhs.uk/healthcosts

These notes are only guidelines. We will assess your claim individually.

By law, we must process this information to be able to provide this service. We may use your information to check claims you make for help with NHS charges. If we can't confirm that you're entitled to help, you may be sent a Penalty Charge Notice, and also have to repay the prescription charge.

Your information will not be transferred outside the European Economic Area.

To prevent, detect and investigate fraud and errors, we may share your information with NHS commissioners and service providers, NHS England, the Department for Work and Pensions, HM Revenue and Customs, the NHS Counter Fraud Authority and other relevant bodies and agencies.

Your personal data will be deleted from our systems and files no later than 24 months after the date of expiry on the certificate or assessment. We keep your information to check that you have a valid exemption certificate when you claim any help with NHS costs.

How to claim money back that you have already paid

We must receive refund claims within three months of the date you paid, or in the case of a sight test within three months of the date of the test. If you make a claim after three months, we have to decide if there is good reason for it being late before we accept it. Please send an explanation with your claim if it is made after 3 months.

Our calculation is based on your circumstances at the time you paid. Tell us at part 9 if your circumstances were different when you paid.

NHS prescription charges

You need to send us NHS receipt form FP57 - you get this from your pharmacist, doctor or hospital when you pay for your prescription (you cannot get one later). It tells you what to do.

Other health costs

To claim a refund for:

- NHS dental treatment;
- NHS wigs or fabric supports;
- sight tests;
- glasses or contact lenses; or
- NHS travel costs if referred by a doctor (GP or hospital doctor) dentist or optician;

you will need:

- a receipt which shows what you have paid for; and
- The appropriate refund claim form HC5 for the charge you paid, (it tells you what to do); and
- your optical prescription, if you are claiming back money you have paid for glasses or contact lenses.

If you need form HC5

You can usually get form HC5 from a Jobcentre Plus office and NHS hospitals. You can also ask for one at www.nhsbsa.nhs.uk/healthcosts or you can phone **0300 123 0849**.

Note: If you are claiming more than one type of refund (for example, dental charges and glasses), you need to fill in a separate HC5 form for each type of charge you have paid. Please ask for the version you need.

People getting Income Support, Pension Credit Guarantee Credit, Universal Credit with earnings within the allowed limits, income-based Jobseeker's Allowance, income-related Employment and Support Allowance or named on or entitled to an NHS Tax Credit Exemption Certificate.

If you now get one of the above benefits or tax credits, but want to claim money back for something you paid for before you were getting any of these benefits (because you were on a low income) use this form to tell us about your circumstances on the date you paid. Mark the front of the form 'Refund only' and tell us in Part 9 which benefit or tax credit you get. Refund claims must be received within three months of the date paid or the date of the eye test.
